

UJDROWSY

11 February 1966

[ ] told me that UJDROWSY is up to his old tricks and has recently tried to communicate with the Soviets through a letter sent off by a former fellow prisoner who was recently released. [ ] had planned to visit UJDROWSY in Straubing prison in order to confront him with this situation but was too busy. [ ] said that he was pleased that they were able to catch UJDROWSY carrying on this way because it meant that he would not be able to get off early for good behavior. [ ] feels that CATIDE security requires that UJDROWSY serve his full 14 year sentence.
